

# Andy An Huynh Curriculum Vitae

## EDUCATION

---

**University of California - Irvine**  
**2018 - 2021**

B.A. Language Science  
*magna cum laude* (GPA 3.856)

**University of Texas - El Paso**  
Ph.D. Psychology

**2022 - 2027 (expected)**

## RESEARCH EXPERIENCE

---

**Bilingualism, Mind, and Brain Lab**

**2019 - 2022**

Research Assistant

- Learn about various aspects of bilingualism and language cognition through readings and discussions
- Trained in ERP preprocessing on Matlab
- Create and run language background questionnaires on Qualtrics
- Plan and create experiment stimuli and fillers
- Code experiments and stimuli into Finding Five
- Conduct behavioral experiments
- Organize and code the collected data from Finding Five
- Conduct statistical analysis on R
- Train new research assistants on participant coding, statistical analysis on R, and coding on Finding Five

Junior Specialist

**Sept. 2021 - Sept. 2021**

- In charge of recruiting and testing participants in a series of online experiments
- Organize and code the collected data from Gorilla
- Conduct basic statistical analyses

**Human Abilities in Bilingual Language Acquisition Lab**

**2020-2021**

Research Assistant

- Data entry and organization on Google Spreadsheets
- Qualtrics questionnaire troubleshooting and coding

**Psycholinguistic Research on Bilingualism and Reading**

**2022 - Current**

PhD Student
